

EasyChair Help Guide for Authors

The following guide is intended to provide additional guidance as to the paper and presentation submission process for the ASTR conference. Please send any questions or comments to the technical chair.

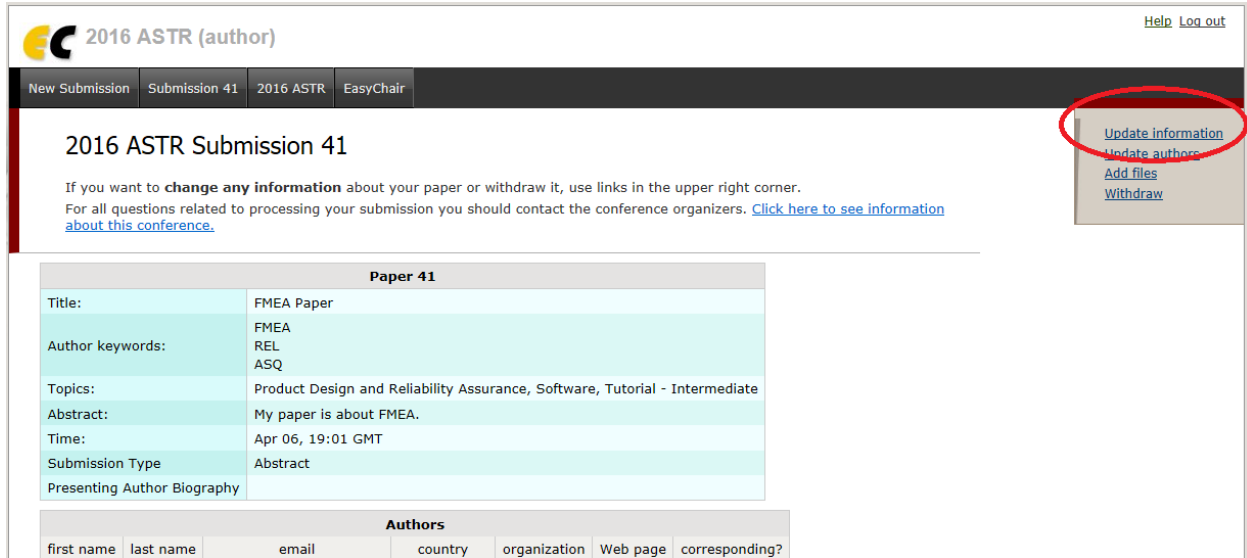

Navigating to your Submission

After logging into EasyChair you will see your submission in the top menu bar as shown below. Left-click on your submission.

Updating your Biography

Update the biography of the presenting author by left-clicking on “Update information” in the top right corner of the page. Once the information page opens, scroll down to the “Presenting Author Biography” field and input the appropriate text. Left-click on “Update Information”.

2016 ASTR Submission 41

If you want to **change any information** about your paper or withdraw it, use links in the upper right corner.
For all questions related to processing your submission you should contact the conference organizers. [Click here to see information about this conference.](#)
